Subject: Inquiry Regarding Frontend Developer Position

Dear Mr. Smith,

I hope this message finds you well. I recently came across the job posting for the Frontend Web Developer role at TechNova Solutions and I am very interested in applying. I have experience working with modern frontend technologies and am confident in my ability to contribute effectively to your team.

Before applying, I wanted to ask:

1. If selected, would it be possible to conduct the interview online?
2. What is the expected joining date for the selected candidate?

I would greatly appreciate your response.
Thank you for your time and consideration.

Sincerely,

Aman Munshi
